### PROFESSIONAL SUMMARY

Dynamic Frontend Developer with expertise in React.js and a solid understanding of JavaScript, HTML, and CSS. Strong problem-solving and communication skills, with a proven ability to adapt to new technologies and contribute effectively to collaborative web development.

### WORK EXPERIENCE

#### PrepLeaf by Masai, Bengaluru

Frontend Developer |

- Successfully developed and optimized clones of popular eCommerce apps using HTML5, CSS, JavaScript, and React.
- Collaborated closely with peers in a dynamic environment, demonstrating proficiency in frontend development tools and frameworks.

#### InstaKart Service Pvt. Ltd.

Sorter | August 2018 - October 2020

- Utilized effective communication skills to collaborate with team members and resolve operational issues.
- Implemented safety protocols and operated sorting equipment proficiently, showcasing the ability to follow procedures and ensure quality control.

### PROJECTS

#### Bluefly Ecommerce App [Live Demo Link](#) [Github Repo Link](#)

JavaScript | Git | Node.js | HTML5 | CSS3 | React

- Developed a clone of the Bluefly E-commerce app using React, ensuring high-quality, reusable, and scalable code.
- Implemented responsive design for optimal performance across various devices and browsers.
- Integrated frontend components with server-side logic to facilitate search functionality, shopping cart, and user authentication.

#### Asos Ecommerce Clone [Live Demo Link](#) [Github Repo Link](#)

JavaScript | Git | HTML5 | CSS3 | RESTful APIs

- Created a static webpage clone of ASOS using HTML and CSS, demonstrating front-end web development skills.
- Replicated the ASOS homepage with attention to detail in UI/UX design to capture the aesthetic and functional elements.
- Used semantic HTML tags for well-structured and organized content, enhancing accessibility.
